RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Sir:

This is a response to the January 6, 2009 Notice Of Non-Complaint Amendment for the above-caption patent application. In the Notice, the Examiner indicated that the Response to the Notice of Non-Complaint Amendment filed on October 20, 2008 for this case was non-compliant because the period from the end of claim 8 was removed without any indication of such removal.

Attached is an "Amendments to the Claims" section in which claim 8 is corrected to show a line under the period at the end of the claim.

Respectfully submitted,

**MCDONNELL BOEHNEN
HULBERT & BERGHOFF LLP**
